All amounts are stated in Canadian dollars.

TORONTO, ONTARIO, August 6, 2015 (Marketwired) -- Terra Firma Capital Corporation (TSX-V: TII) ("**Terra Firma**" or the "**Company**"), a real estate finance company, today released its financial results for the three and six months ended June 30, 2015.

SECOND QUARTER 2015 HIGHLIGHTS:

- Total revenue is \$4.3 million, an increase of \$1.4 million or 47%, compared to the same period last year.
- Net income and comprehensive income in the second quarter is \$1.3 million, an increase of \$531,000 or 68%, compared to the second quarter of 2014.
- Basic and diluted earnings per share in the second quarter were \$0.03 and \$0.02, respectively, same as the year-ago period.

"Our second quarter results reflect our ability to continue to execute on our growth plan. As we recently reported, the closing of \$15.5 million bought deal offering and concurrent private placement equity offering, \$10 million operating credit facility and closing of two financings in the U.S, favourably positioned Terra Firma for increased future profitability", commented Y. Dov Meyer, Chief Executive Officer. "We are pleased with the growth in revenue and of our loan and mortgage investments of \$10 million quarter over quarter in spite of significant maturities in our portfolio in this past quarter. We are very excited by the size and quality of our pipeline of new opportunities both in Canada and in the U.S. and are confident that the remaining capital will be deployed in Q3. As well, our syndicated investors have demonstrated meaningful appetite for our U.S. investments in the face of a declining Canadian Dollar. We expect to continue to grow our syndication platform and reinvest our capital as we deploy more funds into new transactions increasing profitability and book value per share." he further said.

"We are focusing on selected areas in the U.S. and Canada which allow us to pick only the best financing opportunities on a risk-adjusted basis. We are excited about initiating our US expansion plan with the closing of two very attractive transactions and remain pleased with the performance of the existing loan portfolio", commented Glenn Watchorn, President and Chief Operating Officer.
